Letter of Appreciation

On behalf of **M/S. Hwashin Automotive India Private Ltd.**, We would like to express our satisfaction and appreciation to the EDS Technologies sales and support team for its professional approach in providing **Catia V4/V5** software licenses.

We also admire their commitment for quality deliverables and technical support including Installation, training and periodic support.

Please accept and convey our sincere thanks and appreciation to **Mr.P.Kaladhar** and team for providing the timely support and look forward to work together in the future endeavors.
