**Defiance Feedback for Installation & Technical Support on CATIAV4 and Q-Checker  
by EDS Technologies**

This is with reference to CATIA and Q-Checker software Licenses we have purchased from you. We are pleased to inform you that the technical & installation support provided by EDS Technologies has been professional and has met our expectations.

In particular, the continuous efforts put in by Mr K N Sandeep, Application Engineer at EDS Technologies in providing timely support in this regard is highly commendable and appreciated.

Hoping to get a similar or better support from EDS technologies team in future.
