Letter of Appreciation for ABAQUS Training & Technical Support

We are pleased to inform you that the technical support, training and day to day supports from your team have been professional timely and have consistently exceeded our expectations. We have always found EDS Technologies extremely professional and proactive to the needs and demands of the clients.

We thank you for the efforts made in providing ABAQUS/CAE Fundamental Training along with advance training on Impact testing, Thermal, Crash analysis, Drop tests and many more, delivered by Ajay Pathania. The training will definitely help us in understanding the tool & reducing time to deliver the projects.

We appreciate the promptness of Mr. Ajay Pathania for his timely support in solving the problems and are expecting continued support from your end.

We look forward to your continued support in our future learning endeavors also.
