Director-Technical

Letter of Appreciation

We are extremely satisfied with the prompt and efficient service provided by EDS Technologies. Efficient and courteous Help-Desk, Quality service is the hallmark of this company. Moving way out beyond the normal trend of business relationship the company often extends it's support and service to the customers in a gamut of areas. A very healthy approach which builds up a warm relationship between the client and the company.

With reference to the purchase of CATIA V5 license We acknowledge with thanks in the matter of implementation and support. We place on record that Mr. Mukesh Pratap Singh and team have really been very helpful and we appreciate his instant response for giving all required data and information. We are extremely satisfied with your prompt support and services.
