Letter of Appreciation for ABAQUS Training & Technical Support

We are pleased to inform you that the technical support, training, and day to day supports from your team has been professional timely and has consistently exceeded our expectations. We have found **EDS Technologies** to be professional and proactive to the needs and demands of their clients.

We thank you for the efforts made in providing ABAQUS/CAE Training along with installation of ISIGHT, TOSCA and Fe-Safe by **Ajay Pathania**.

The training was very informative & effective and was conducted by him in a well-structured manner to demonstrate various aspects and areas of usage of the software. We appreciate the promptness of **Mr. Ajay Pathania** for his timely support in solving the problems and are expecting continued support from your end.

We would like to compliment **Mr. Ajay Pathania** for his initiative, and look forward to your continued support in our future learning endeavors also.
