## Letter of Appreciation

We thank Mr.Varun Sharma, Mr.Pratik Deshpande and Mr.Vignesh Pagadalu, Simulation Consultants from EDS Technologies Pvt. Ltd. for taking sessions in our Two Week Online International Faculty Development Program on "Soil-Structure Interactions and Its Applications" that was held between 31<sup>st</sup> Aug to 11<sup>th</sup> Sep, 2020.

Total 291 faculty members, field engineers, Industry experts, Researchers from pan-India have participated in this FDP, out of which 252 are external participants from various Colleges and Universities. 137 faculty members from various IITs, NITs, Central and State Universities and State Engineering colleges are among the participants. Similarly, over 46 Field engineers/Industry experts and 84 Research Scholars from different IITs/NITs participated in this FDP.

Sessions were regarding the overview of ABAQUS and modelling of various geotechnical problems. We appreciate speakers for their knowledge and professionalism.

**Dr. Bhisim Singh Khati**  
Assistant Professor  
Department of Civil Engineering
