### To whomsoever it may concern

Getting support from EDST Team is always delightful.

I would like to thank **Mr. Varun Sharma**, Application Specialist from EDS Technologies Pvt. Ltd. for conducting online sessions of ABAQUS during the Short Term Course on “**Finite Element Method and Applications**” from 28<sup>th</sup> Dec 2020 to 1<sup>st</sup> Jan 2021 at MNIT Jaipur.

It was a great learning experience for the participants of the course. The feedback from the participants was overwhelming about the ABAQUS sessions.

We greatly appreciate the efforts for giving a new perspective on computer modelling and simulation.

We are looking forward to organize something analogous in the future.

Thank you again for your time.

Yours Sincerely

Sincerely,

(Dr. Dinesh Kumar)
