LETTER OF APPRECIATION

We are using latest software 3DEXPERIENCE CATIA from past few years. During the installation & technical support activities EDST team has done commendable job.

We are sincerely thankful to EDS Technologies in providing 3DEXPERIENCE CATIA Technical Support to Expert Global Solutions. The support provided by M/S EDS TECHNOLOGIES has been very professional and met our expectations.

The learning experience during software training sessions in monthly Training Calendar will help EGS team for Mechanical Designer Role, Template & Rules Designer Role, Fluid Systems Designer Role in 3DEXPERIENCE Platform for better performance.

It was indeed a very effective engagement, and our team members were able to comprehend and appreciate the various aspects of troubleshoots done by representatives of EDS Technologies. We offer special thanks to EDS Technologies for their timely and valuable support. Whenever we required, we got urgent & on time technical support.

We look forward to providing the same level or even better level of co-operation & support in future as well.
