Subject: Appreciation Letter for Technical Support on Dassault Systems Software.

We have always found your organization extremely professional and proactive to the needs and demands of the clients.

EDS Technologies’ service in terms of implementation / support is to the level of highest satisfaction. You have always been very cooperative and have provided timely solutions and support as and when asked for.

Our association with complete team has been in the sphere of purchase, implementation and training for DS products purchased.

For EB Software (India) Pvt. Ltd.

Manik Joshi
Director
