Kind Attn: Mr. Shubham Suraj Sahoo, Application Engineer – Engineering Solutions.

Letter of Appreciation

We are pleased to inform that the technical support of **CATIA V5** Software provided by **M/s. EDS Technologies** in our projects & implementations has been very professional and has met our expectation.

We appreciate the efforts put by **Mr. Shubham Suraj Sahoo**, Application Engineer in providing prompt technical support, end user awareness training, patch installations, and product updates at our works. His efforts has been commendable and highly appreciated.

We expect your continual support in future also.

Thank You

For, IFB Automotive Pvt Ltd.,
