Appreciation Letter for CATIA V5 Machining Module-Technical Support

On behalf of Pranavam Aerospace Pvt Ltd, We would like to express our satisfaction and appreciation to the EDS Technologies technical support team for its professional approach in providing CATIA V5 Machining Module (AM2) product support.

We also appreciate their commitment for quality deliverables and technical support including installation, troubleshooting and routine support.

Please accept and convey our sincere thanks and appreciation to **Mr.Sundaramoorthy Application Specialist** , for providing the timely support and look forward to work together in the future endeavors.

For Pranavam Aerospace Pvt Ltd

  
Bhanu Prakash  
Director
