Letter of Appreciation for 3DEXPERIENCE On-Premise Implementation and Support activity

We have always found **EDS Technologies** extremely professional and proactive to the needs and demands of the clients. I thank for the efforts made by **Mr. Vivek Madhukar Sonar** and **Mr. Anil Kunderagi** in providing solution Implementation and training on 3DEXPERIENCE ENOVIA PLM platform (On-Premise) which helped our team to understand the 3DEXPERIENCE ENOVIA PLM Platform very well.

We would like to assert that overall technical implementation services were very professional and has met our expectations. We also appreciate the efforts put in by **Mr. Kiran Setty** and his team for their timely support and solutions whenever asked for.

We look forward for your continued support in our future endeavours also.

With Regards,
