Letter of Appreciation

Our Relationship with EDS Technologies has been extremely fruitful. The training on Geovia Minex from 21.10.2024 to 25.10.2024 provided by EDST has been highly professional. The interactions and effort made by EDST team to meet all the parameters within the constraints set by the organisation are praise worthy.

The undersigned would like to place on record the dedication, honesty, zeal, and professionalism displayed by your team throughout the support period.

We appreciate the efforts put in by **Mr. Amritendu Hazra** in providing timely support on GEOVIA Minex software and expect that you will continue to provide us the same level of support in the future.

Thanking You,
