Mr. V. Karthikeyan — Chief Technology Officer (Technical)

Letter of Appreciation

We are pleased to appreciate that the training and support provided by EDST has been highly professional. The interactions and effort made by EDST team during training to meet our targeted parameters within the constraints set by the organization are praise worthy. We appreciate the efforts put in by **Mr. Arunava Banerjee** in providing timely support on GEOVIA Minex software and expect that it will continue to provide the same level of support in future also.

Yours sincerely,

26/09/2024
