Kind Attn: - Mr. Karthikeyan V Director -Technical

Sub:-Appreciation Letter for Technical Support on CATIA V5 Software

We are extremely satisfied with the support that we have been receiving from your Sales and support team for procuring and implementing CATIA V5. We appreciate the promptness of EDS Technologies support team in solving the problems and are expecting continued support from your end.

We would like to place on record our appreciation for the work done by Mr. Mukesh Pratap Singh and team especially in the sphere of technical support and training given by your team.

Thanks for all your help .
