### TO WHOMSOEVER IT MAY CONCERN

This is with reference to the **CATIA V5 Specialist** course for 80 hours held by EDS Technologies at Mar Baselios College of Engineering and Technology from 30/08/13 to 5/10/13

I would like to appreciate the contributions of Mr. Karthikeyan Perumal, Application Engineer- PLM solutions as the trainer of the course-both in Theory and Laboratory sessions. His depth of knowledge coupled with the enthusiasm has made the course very effective. This was reflected in the feedback from the participants.

I wish him all the very best.

Dr. T.M. George  
Principal
