### LETTER OF APPRECIATION

Our relationship with EDST has been extremely fruitful. The support services provided by EDST have been professional. The interaction and the efforts made by your support team to meet all the parameters within the constraints set by our organization are praiseworthy.

I would like to acknowledge the dedication, expertise and professionalism your team showed during the trainings & technical support.

We appreciate the efforts put in by **Mr. Lalit Gore** in providing timely support for CATIA and expect that you will continue to provide us with the same level or even better level of support in the future.
