**ASSESSMENT**

Mr. **K N Sandeep** having the role as **Application Engineer** from EDS Technologies pvt Ltd.

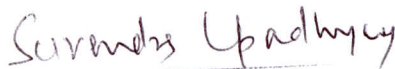

Mr.K.N Sandeep carried out the following activities

- Developed a macro for the batch file run in COMVPM for data import.
- Presently working on another macro for unzipping the data automatically In COMVPM for data import.

His efforts in developing the macro/Installation & Technical Support on ENOVIA VPM, CATIA and Q-Checker & support on scripts for Data exchange activities is highly commendable and appreciated.

Because of his personality it was really a pleasure to work with him. We expect that, he will continue to provide us the same or even better level of support.
