LETTER OF APPRECIATION

Dear Ravindra Buvaji,

We sincerely thank you and Mr. Prathamesh Mandave for the excellent CATIA V5 training.

Your deep expertise and clear explanations made complex concepts easy to grasp. We truly appreciate your patience, professionalism, and engaging teaching style.

The training has strengthened our faculties skills and boosted confidence in using CATIA. It was a pleasure learning from such dedicated and knowledgeable trainers. We value our partnership with EDS Technologies and look forward to future programs.
